In answer to a communication from the Acting Secretary of the Pacific Division of the A. A. A. S. asking an expression of opinion as to the desirability of holding a session of the Division this summer in Berkeley, the Board passed a resolution to the effect that, in its opinion, such a meeting should not be called at this time.

The Board then adjourned to attend the Lecture of Dr. Frederick H. Seares, given in Native Sons Hall as one of the Adolfo Stahl Lecture course. His subject was "The Brightness of the Stars; Their Colors and Distribution." There were about five hundred people present.

D. S. RICHARDSON,  
Secretary.
